

IS A PERMIT REQUIRED?

It is not necessary to obtain a permit for erecting a seasonal car shelter.

SEASON

Use of seasonal shelters is permitted between October 15 and May 15 of the following year.

PLACEMENT

- At least 1.5 meters from all property lines.
- On a corner lot, must not obstruct the visibility triangle at the street intersection.
- May be erected only on properties containing a main building.

NUMBER OF SHELTERS

There is no maximum number of permitted shelters.

STRUCTURE AND COVERING

The covering must be of a solid colour.

Seasonal car shelters that maintain the installation standards for accessory buildings may be left in place permanently.
